

The Wyss Scholarship

The Wyss Scholarship

A critical element of professional development is the nurturing of leadership skills. With a generous gift from Mr. Hansjörg Wyss, HVO is launching a new program designed to develop and support a cadre of future leaders in the health care sector in resource-scarce countries. **The Wyss Scholarship for Future Leaders in Global Health will allow HVO to support the professional development of local health care providers at HVO project sites.** [Click here to view more about the scholarship.](#)

To qualify for the Wyss Scholarship, applicants:

- Must work/study at an overseas HVO project site. Candidates may include local residents, faculty, and clinicians at HVO project sites.
- Must be early in their careers and have demonstrated leadership potential. Candidates should have a strong commitment to their patients and profession and demonstrate a desire to share their knowledge with their colleagues.
- **Must have an identified training opportunity in order to apply.**
 - Applications must be received at least **4 months prior** to the event that requires funding.
 - Eligible opportunities for funding include: regional conferences, meetings, and short-term

courses; international conferences, meetings, and short-term courses of study; and online short courses.
