

Our Programs

OUR PROGRAMS & PROJECTS

Go and give some time: they need you and your expertise. Be ready to learn too – you will see a lot of things you have never seen before. Do your best to realize that these are exceedingly talented people working in a broken health care system and always treat them with the utmost respect because what they are doing is exceptional.”

Learn more about HVO projects by clicking on your specialty area:

Anesthesia	Internal Medicine	Orthopaedics
Dermatology	Nursing Education	Other Projects
Hand Surgery	Obstetrics &	Pediatrics
Hand Therapy	Gynecology	Physical Therapy
Hematology	Oncology	Wound & Lymphedema
	Oral Health
